TERM 2 / 2018

Community Newsletter

CHURCHLANDS SENIOR HIGH SCHOOL

From the

Continuous major building projects since 2011 are now complete and the school is unlikely to see anything on that scale for many years

We are now in the process of completing a number

Associate Principals (shared duties)

As our students head into Semester 2, they are beginning to think about subjects for next year and their future aspirations. We want to remind them

Associate Principal Junior School

We have had another very busy term in Junior School with a range of different school activities including, Year 7 NAPLAN, Year 8 Academic Extension Coral Bay Camp, Year 8 Examinations, Year 8 Immunizations, Year 7 and Year 8 Lightning Carnivals, Fun Run, Junior Concert, excursions, House activities, Girls' Wellbeing Program and the continuation of doing hard work in class

Student Support

secondary school we pride ourselves on offering a range of support services. The following support services are available:

- Learning Support
- Behaviour Support
- Student Counselling
- Health Services
- Pastoral Care

If you have any concerns about your child's progress or well-being, please contact any of these people if you think your child requires support.

Year 7

Hi Year 7s, can you believe you are already half way through your first year at high school!

Year 11

Student Council Leadership Day at Point Peron Camp School

On May 1, the full student council had a leadership day at Point Peron with the aim of building a strong sense of teamwork and collegiality.

Stack activity in the morning which the students had fun with. The students had a great time and the day was really in evidence.

On how the council is going and to consider the communication activity with blindfolds and ropes.

Students closer together for the year ahead.

Preparedness for assessments and workplaces

Our new white shirters have completed their period of rigorous testing and have sat the increased level of responsibility with good study routines and accessed the additional study of all students.

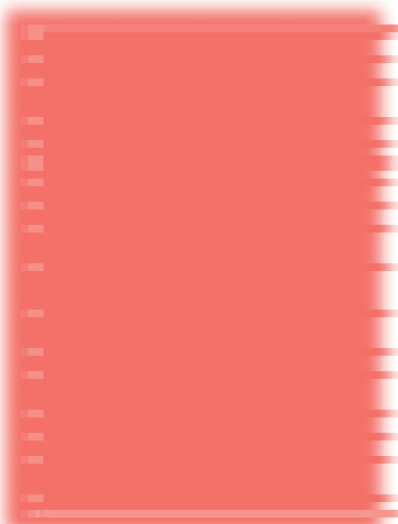

Many others tried out their skills in placements for these students to test their abilities and identify the types of work they enjoy and may wish to pursue in future.

Develop sound habits to use their time effectively and continue to participate in sports and other life skills needed when you leave.

Up precious study and other leisure time for a good cause.

Year 12 Report

Senior Boys Basketball

The boys' basketball team has had a successful season so far remaining undefeated with a record of 10-0. The team has been led by captain [Name] who has scored over 100 points. The team has also been supported by their coaches and the school community. The team will continue to work hard to represent the school well in the upcoming season.

Breakfast Club

The Breakfast Club has been successful in raising funds for the school. The club has been running for several years and has been a great success story. The club has been led by [Name] who has been the News Director for nearly seven years. The club has been supported by the school community and has raised a significant amount of money for the school.

Humanities and Social Science (HASS)

The Year 9s are learning about Civics and Citizenship, so in preparation for visits from lawyers, we have run some mock trials in the classroom so that students can get to experience a little bit of what goes on in court

Young Readers' Book Award

Churchlands Senior High School students will once again be involved in the longest running, state-wide, readers' choice awards for young readers

Students will be nominated by students throughout Western Australia. The award is the longest running, state-wide, readers' choice awards for young readers. Students will be asked to write an online review of their favourite book from the list.

Picture books

Older reader

Middle reader

Students will be asked to write an online review of their favourite book from the list. We encourage students to read as many books on the list as possible... can't wait to read the reviews.

Students who have already read eight or more books in each year group are rewarded with vouchers and a lovely morning tea in the library. We encourage students to read as many books on the list as possible... can't wait to read the reviews.

Coral Bay Camp Coordinator

Litter Group

This term we held our first Waste Free Wednesday on the 23rd of May

50 staff and a large number of students participated by bringing a waste free lunch to school wrapped in plastic wrap, foil or packets, with the aim to bring no waste to school.

Students and staff collected 100 points and went into a draw to win a waste free lunch.

We will have Waste Free Wednesdays across the whole school in second semester. Keep an eye out for when and bring a waste free lunch to go into the draw to win a waste free lunch.

7 children and 10 staff members won a waste free lunch.

Looking for ideas on reducing waste in your lunch?

- Avoid plastic
- Use a reusable water bottle
- Pack sandwiches and wraps into reusable containers
- Buy large packets of biscuits and divide into small containers for everyday use

Join the Litter Group every Wednesday at lunch time in the activity area or send an email to litter@churchlands.school.nz
